

# Uwater12 100% Waterproof Lap Swimming Stereo Earphones (Short)

3.5 mm Plug-In Jack Connection and 12" long wire

Swim/Dive/Snorkel/Surf/Ski/Kayak/Sweat/Shower/Jog/Run

Name: 100% Waterproof Stereo Universal Earphones For 3.5mm Plug-In Jack (Short 12")

**US RETAIL PRICE:** \$20.00

Product Number: 90517

## 100% Waterproof and Sweatproof Compatible for G4, G5, G5X, K7, K8 Players

**Developed specifically for Lap Swimming**, these Earphones deliver superb quality audio and stable in-the-ear fitting up to 3M underwater. The Short (12") wire was designed for head mounting while lap swimming so there is no need to deal with "wire management". Select one of the 3 soft, rounded ear-tips (L,M,S) for comfortable fit inside your ear canal or the uniquely designed Triple Action silicon ear-tips for uninterrupted lap swimming.
