For Active Lifestyles

Wearable/Portable/Weatherproof/Shockproof

Name: Action Portable Charger

US RETAIL PRICE: \$25.00

Product Number: 61001

Description:

Action gear for active lifestyles has been our business since 1996.

If your lifestyle includes the outdoors, recreational or fitness activities, this min-sized portable, wearable, weatherproof, shockproof power bank is a must. The UwaterP8 pocket portable rugged power bank is engineered for any environment. Virtually indestructible, it is tough enough to complement your active lifestyle and portable enough not to hold you down. Better yet – with the UwaterP8 your options are limitless and you won't be restricted by your mobile phone's limited battery life or nowhere-to-be-found bulky power source. With 2200mAh of rechargeable lithium-ion battery power, it will charge most phones more than once fully, plus all your other mobile devices.
