US Retail price: \$135.00

Product Number: 90632

Manufacturer's name: Fitness Technologies Inc.

Swim/Dive/Snorkel/Surf/Ski/Kayak/Sweat/Shower/Jog/Run

Description:

This new iPod Shuffle Newest Generation was double treated for 100% waterproofing using UWATER proprietary outside-in micro plasma and inside-out sealing compound providing long term underwater protection (including salt water) while preserving the integrity of the push button controls and functions. Each unit is fully inspected for functionality and endurance. Unit comes with the UWATER12 short Action Earphones & Buds for lap swimming plus a 30" extension cord and the UWATER Protective Hard Case/Organizer. Use the Uwater12 for head mounting while swimming, jogging, any fitness activity. Connect the extension cord to mount your iPod on arm, swimsuit, waist, or shirt pocket. Safely store your iPod and Earphones in the UWATER Protective Hard Case/Organizer. End the boredom of lap swimming or just enjoy the novelty of listening to music in the water, on the beach, while surfing, kayaking, any water sports /recreational activity!
